special
tv issue
featuring

THE ADDAMS FAMILY
and THE MUNSTERS

Will you stop singing
'I want to hold your hand??'

Those little devils next door
just don't jump high enough ...
If there's anything I hate
most, it's a dull fence ...

But, what's with this left arm?
You know he's only got two right ones.

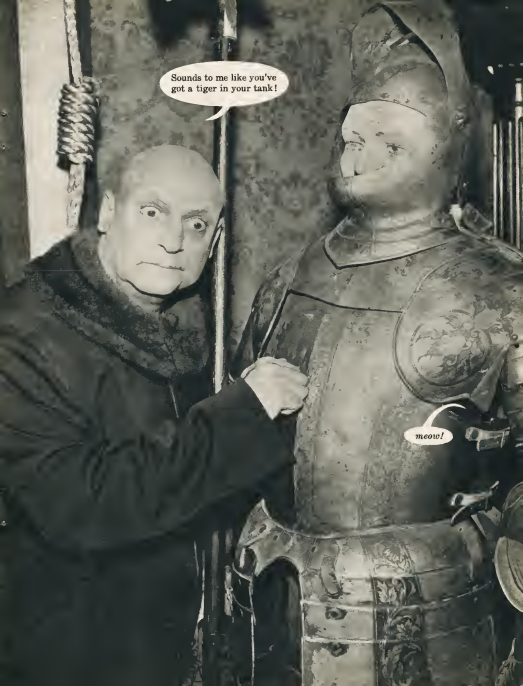

He's a growing boy!

Fogosh sakes . . . you drank all the mercury !!!

A black and white photograph of a man in a tuxedo sitting at an ornate table. On the table is a candelabra with lit candles and a large, open box. The man is looking towards the camera with a serious expression. A speech bubble is positioned above the candelabra.

I'm getting buried in the morning ...
Ding, dong the bells are gonna ring!!!

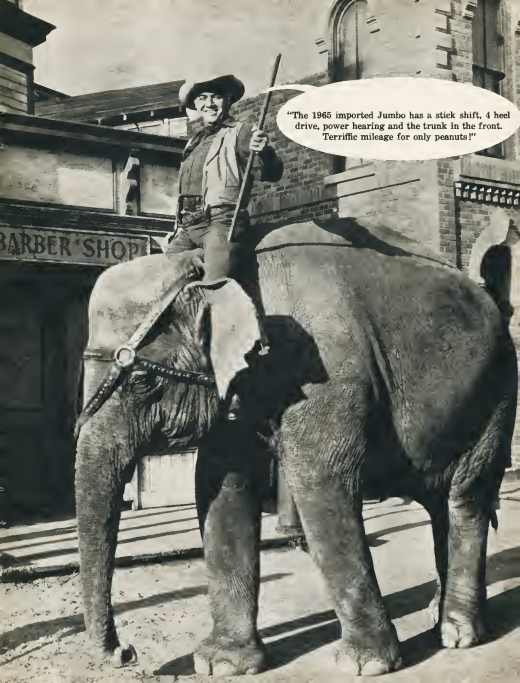

Sounds to me like you've
got a tiger in your tank!

meow!

Smile, Lurch!!!

I am smiling!

"The 1965 imported Jumbo has a stick shift, 4 heel drive, power hearing and the trunk in the front. Terrific mileage for only peanuts!"

Look, Lily, there's where we
spent our honeymoon... Grant's Tomb!

I worked my way up
to vulture scout...

You mean eagle, Pop!

Phuii! Are you sure this
cigar's never been smoked?

No sir, the Colonel jes' chewed
it a little, that's all.

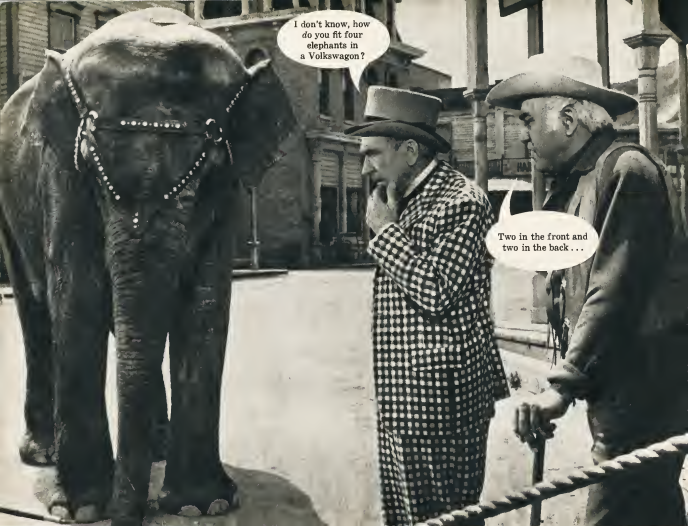

Will you please stop singing
'All of me, why not take all of me?'

And what's your honest
opinion of kissing games?

Well, at least now we won't have to worry
about getting a hotel room for the night.

I don't know, how
do you fit four
elephants in
a Volkswagon?

Two in the front and
two in the back ...

See for yourself,
blondes really
don't have more fun!

It's lesson number 3 in your
body building course...

I'm not making very good progress...

My deah, I am a blueblood!

Ah, the change of pace drink!

It says: "Help,
I am a prisoner
in a glass dome!"

Although there are occasional after effects,
it has been proven once again that
Crest with Fluoristan is the only toothpaste
tested and found effective against cavities.

Chief, I think it's time you started
using that greasy kid stuff.

Who says I can't hold
a candle to Liz Taylor?
I just did!

You took a shower with
your clothes on?? Why?

There was no place
to hang 'em up.

Now, here comes
the other team's
batboy... Look
at that wingspread!

Why, Jane Wilson, I haven't seen you since High School!

How does she manage to look so young?

Yep, they said I couldn't catch
this fish with live bait.

Hey, Uncle Fester,
look what I did
with my eyebrows!

Are you trying to make a monkey out of me???

Boy, those cannibals sure have hearty appetites!

All right, hand over the dough!

Doggone dad, when you told
me to round up the cattle, I
thought you meant everybody's!

Since we began using our first Personna blade back in 1938, we have tried (cuckoo) and (cuckoo) blades, and all they've done is made us (cuckoo)!

Well, Colonel, ah raked 'em into a big pile,
then ah lit 'em on fire, and the breeze blew
the fire to the messhall, and from the messhall
to the motor pool, and from the motor pool to
the barracks, then to the ammunition dump . . .
That was the noise you heard.

My goodness, you have the heart of an 18 year old boy!

Girl...

What do you mean???

'Last one down is a rotten egg'!

Remember, Hoss, if she starts to buck on you,
let go of the reins, cut loose your saddle
bags, and this time jump clear of the cactus!

Boy, whoever hollowed him out,
did a pretty sloppy job!!!

This is like an intelligence test . . .

We're going to give you a
chance to really use your head.

Oh, Herman loves frozen Bird's "eyes".

I told you he'd rather
fight than switch.

But when I first took out this policy, they
said I didn't have to take a physical!

But, Mr. Munster, that
was 150 years ago . . .

You were supposed to
walk it, not eat it!

Oh, Herman, you're so debonair!

This is what I get
for using a whole
tube of Brylcreem!

Pa, are you sure
you loaded our
six guns?

I didn't load
'em, I told
Adam to.

Relax, fellows,
Little Joe took
care of it.

Hey, Adam, I
forgot to tell
you, I couldn't
find any ammunition.

Hey, fellows, how about
all four of us stepping
out for a bite.

12 o'clock, I'd better get
going, I'll be late for
Opening night at the cemetery . . .

Mmm, a blonde hair . . .
Pugsley must have been
playing with one of
his friends again . . .

Is that really why
you married me, Lily,
because I'm level headed?

Uncle Fester was really
tired, wasn't he?

I'm dead ...

The cook's cat is missing . . .
By the way, how was your stew?

Bet she thought you were
kidding when you said you
had to feed the fish!

I thought it landed over there.

Don't worry, mother, it'll turn up...

I put iodine on your spikes, so when you go flying into the second baseman he may get wounded, but he won't get infected!

Look! The animals are
eating up the Beatles...

A black and white photograph of a woman and a man. The woman, on the left, has blonde hair styled in a bouffant and is wearing a dark dress with white polka dots. She is smiling and looking towards the man. The man, on the right, has dark hair and is wearing a large, light-colored, textured headscarf or hat. He is smiling and looking down at a baby he is holding. The baby is wrapped in a light-colored cloth. The background is dark and indistinct.

Gee, Uncle Herman, do you think he'll ask me for a date if I knit him a sweater

I'm sure he will...

Poor homely little thing. Without the Munster natural good looks, she's doomed to be an old maid!

These TV horror shows are really scary, especially this 'Ozzie and Harriet.'

He's invited us to go south
with him for the winter ...

Go ahead, have a little cheese . . .

Oh oh, here comes old
icy handy again!

Oh yeah! The best looking
girls come from Earth!.

Yeah, but, the best candy
on earth comes from Mars.

Our devil bat turned blue...
Our lizard never grew...
10 spiders, all dead...
Plus an octopus head...
And presto! Here's our stew!

Did you ever play for
the Chicago Bears?

No, they turned me down.
I wasn't heavy enough....

The nasograph shows all 16 sinus cavities cleared and free breathing restored in this victim's nose and ears — thanks to DRIPSIN.

So you wouldn't believe me when I
said I had a tiger in my tank!

A black and white photograph of a man with a mustache, wearing a pinstriped double-breasted suit, white shirt, and dark tie. He is standing outdoors with his hands in his pockets, smiling at the camera. Behind him is a large, multi-story house with a porch and some bushes. A speech bubble is positioned to the left of the man.

What a splendid funeral, I
wonder who's the lucky guy?

Brush after every meal ...
Are you kidding???

A black and white photograph of a man in a dark suit and bow tie, lying horizontally on a wooden sawhorse. His body is wedged into the teeth of a large comb that is placed across the top of the sawhorse. The man has a surprised expression. A woman with long, light-colored hair, wearing a dark dress and a patterned shawl, stands behind him, laughing. In the background, a doorway shows the silhouette of a person's head. A framed picture hangs on the wall to the left.

It just goes to show you ...
everytime you buy through
the mail you get stuck!

Relax, Count Dracula,
maybe you'll stop bleeding
if I put it back in!

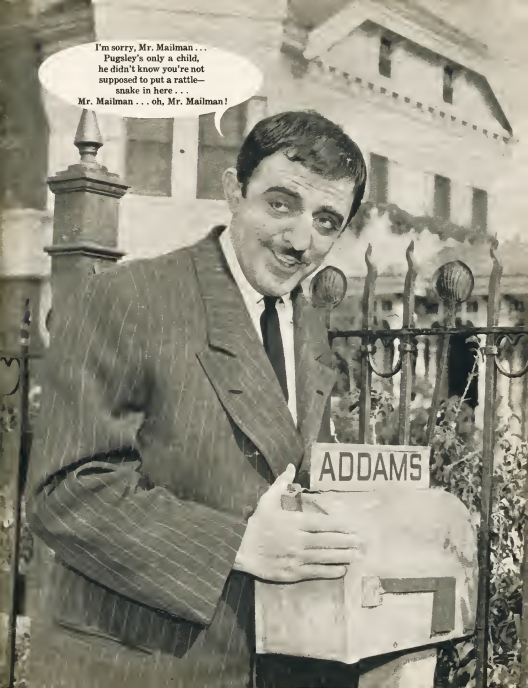

He's taking a catnap . . .

Not a catnap . . . A batnap!

I'm sorry, Mr. Mailman . . .

Pugsley's only a child,
he didn't know you're not
supposed to put a rattle-
snake in here . . .

Mr. Mailman . . . oh, Mr. Mailman!

And for dessert we're having
lemon meringue python...

Dear Mr. President . . . I am Commander-in-chief of all Air, Sea and Ground forces on Walnut Street. We are planning an invasion of Chestnut Street, and I am writing to you to ask if you have any anti-missle missiles that you can spare . . .

Cobra Cola hits the spot,
Every kid should drink a lot,
Filled with germs and venom, too,
Cobra Cola is the drink for you!!!

No, I've never danced the Watusi,
but I've eaten a few...
